I. JURISDICTION

2. Venue is proper before this Court because all actions, omissions, and transactions occurred within the State of New Mexico.

II. STATEMENT OF FACTS

1. Plaintiff, Jack Maes, (hereinafter "Mr. Maes"), is a resident of Las Vegas, San

Miguel County, New Mexico. Individual Defendants are residents of Las Vegas, San Miguel County, New Mexico.

2. Defendants City of Las Vegas, (hereinafter "City"), is a chartered New Mexico municipality pursuant to Article 10, Section 6 of the New Mexico Constitution and NMSA 1978, §3-15-1 et seq. (1978).

3. Plaintiff, Mr. Maes, was employed as City Manager of the City of Las Vegas from April 19, 2000 until May 30, 2001.

4. Defendants MIKE GALLEGOS, MIKE TRUJILLO, LOUIE TRUJILLO, GENE ROMERO, and MARK GUERIN, at all times material to this action were elected members of the City Council.

5. The position of City Manager is a position designated by the Las Vegas City Charter which provides that "removal by the Mayor and Council shall be effective only after a formal notice and public hearing".

6. Plaintiff, Mr. Maes, signed a contract with the City of Las Vegas for employment as City Manager on April 19, 2000. The contract provided that the City Manager could only be terminated for cause.

7. The initial term of the contract was six months. During that six month period, Plaintiff successfully performed duties as the City Manager and Defendants gave him a vote of confidence and extended his employment contract.

8. Defendants did not conduct any performance evaluations of the Plaintiff's work as City Manager after November, 2000.

9. Plaintiff satisfactorily performed his job duties and responsibilities as City

Manager.

10. The Plaintiff's employment contract provided that employment as City Manager was subject to the Las Vegas Personnel Ordinance except for progressive discipline and grievance.

11. The Las Vegas Personnel Ordinance in effect at the time Mr. Maes' was terminated was Personnel Ordinance #86-8. Ordinance 86-8 provides for discipline only for cause after an employee completes a six month probationary period and "cause" is described in Section 2-6-9.1 of the Personnel Ordinance [86-8].

12. After November, 2000, Plaintiff voiced concerns to the Defendants that Defendant Mike Gallegos was storing his personal recreational vehicle [RV], at the City Airport Hangar for free. Plaintiff pointed out potential security, liability and appearances of impropriety issues to Defendants and others. He expressed his concerns in writing and at public meetings.

13. Defendant Gene Romero, is the owner of Pat Romero Feed and Bldg Supply Company in the City of Las Vegas. Plaintiff was informed that Defendant Romero's business was providing building specifications for City Building projects and then over 80% of City Building projects were awarded to Defendant Romero's business. Most of the Building contracts involved Federal Housing and Urban Development (HUD) funds.

14. Plaintiff advised Defendants that having a Councilor's business prepare building specifications for public requests for proposals, then awarding over 80% of those contracts to Councilor's business probably violated conflict of interest laws, HUD regulations and presented an appearance of impropriety.

15. Plaintiff spoke out on these matters by written memos, statements at public

hearings and to individual Defendants.

16. Plaintiff was criticized by the Defendants for making “an issue” out of the Defendant Councilor’s business winning over 80% of contracts.

17. Plaintiff knew that because Federal funds were involved in the building contracts, the City could face problems from regulatory violations. He informed HUD officials of the situation with Defendant Romero’s business and the building specifications and contracts. The HUD officials initiated an investigation.

18. Plaintiff also learned that Defendant Mike Trujillo’s daughter owed the City of Las Vegas over \$4,000 for unpaid utility bills. He was advised of this when he learned that the Councilor’s daughter was requesting a deposit waiver for a new utility hook-up. Plaintiff inquired why collection efforts had not been made against this seriously delinquent account and the response was “she’s the daughter of Defendant Mike Trujillo, City Councilor.”

19. Plaintiff wrote a memo to the Mayor describing the improper and unfair favoritism being shown to a relative of a Councilor, Mike Trujillo.

20. After Plaintiff’s discussions, disclosures and comments about improper conduct by Defendants, rumors started that he would be fired.

21. On the afternoon of May 30, 2001, at approximately 3:00 p.m., Plaintiff received a “Notice of Contemplated Action” letter from Dave Romero, Jr., Attorney for the City of Las Vegas. The letter notified Plaintiff that “...the Council will determine whether you will continue with your employment with the City on May 30, 2001 at 6:00p.m. at City Council Chambers”.

22. Plaintiff was not given advance notice of any evidence to be presented against him nor any specific reason why Defendants were considering terminating his employment.

23. The Council convened a special meeting at 6:00 p.m. on May 30, 2001, and immediately proceeded to go into a closed, non-public executive session. When the Council came out of the executive session, it announced the termination of Plaintiff's employment.

24. Plaintiff was present at the May 30, 2001, Council meeting. He was not given an explanation of any specific charges or evidence which the Defendants relied on in deciding his fate as City Manager.

25. Plaintiff was given no opportunity to refute, explain or answer any questions or concerns the Defendants had about his performance before they fired him.

26. There was no public hearing on May 30, 2001, because no one was permitted to speak about Plaintiff's job performance as City Manager before Defendants decided to fire Plaintiff.

27. The Defendants' actions in terminating the Plaintiff were done under "color of law".

28. The Defendants were final decision makers regarding Plaintiff's employment.

29. Plaintiff's salary at the time of his termination was \$57,000 per year plus benefits.
